Mr. William Armistead Collier,
C/o Collier & Collier,
Memphis, Tenn.

Dear Mr. Collier:

The "Virginia Cousins" arrived Thursday by express in good condition. I did not acknowledge receipt of same earlier, on account of being absent from town. I spent much time reading same on yesterday. It is not exactly correct in regard to the Collier family, but this I will advise you of later. In other words, I will write you a full letter in the next ten days giving you much information.

Do not fail to advise me when you come down to Atlanta, and I will make a date to bring you down to Barnesville, as we are only 60 miles south of Atlanta, which is only one and one-half hours' drive over a beautifully paved road.

Respectfully yours,

JCC:S
